comfort support line

La linea **BeOnTop SUPPORT Line** è stata studiata e creata a fronte della lunga esperienza nel settore delle calze riposanti. Il design accattivante ed il comfort assoluto, soddisfano le esigenze del mondo femminile che desidera porre rimedio ai fastidi causati da una non perfetta circolazione. Indossando i prodotti della linea **BeOnTop** le gambe beneficeranno di un reale sollievo grazie alla continua azione massaggiante mediante la compressione graduata sulle gambe. La nuova maglia a costine sottilissime brevettata, consente di ottenere una maggiore compressione mantenendo un aspetto “invisibile” ... nessuno si accorgerà che le calze indossate sono a compressione! **BeOnTop** sarà il vostro alleato di bellezza “segreto” per essere sempre al top!

The **BeOnTop SUPPORT Line** has been designed and created by drawing on many years of experience in the field of support stockings. Their attractive design along with the absolute comfort they offer means that they meet the needs of all the women who wish to put an end to the inconvenience caused by poor circulation. By wearing the BeOnTop line products the legs are greatly relieved thanks to the continuous massaging action brought about by the progressive compression on the legs.

The new patented fine ribbed stitching provides greater compression while still looking “invisible” ... no one will notice that they are compression tights! BeOnTop will be your “secret” beauty ally to always be on top!
